The Embassy has been receiving queries from the Indian Community in Kuwait on travel from and to India. In this regard, you may kindly appreciate that the world at large is facing a grave health emergency and restrictions on travel have been globally acknowledged as an essential precautionary measure to fight the spread of covid-19. It is therefore advisable that travel plans, both domestic and international, be postponed under the present circumstances. It is also important to note that these restrictions are temporary in nature and are subject to review based on the evolving situation.

Embassy of India in Kuwait is at your service to address your concerns and queries. For all queries related to covid-19, you may write to us at: poll.kuwait@mea.gov.in or contact us directly at: 22530613 (during official working hours) or 22519532 (in case of emergencies). You are also advised to keep track of Embassy's website (www.indembkwt.gov.in) and social media accounts (Twitter: @indembkwt, Facebook: @indianembassykuwait) for official updates on this subject.
