

LIC Housing Finance core loan schemes cater to the purchase/construction of flat/house, purchase of plot, repairs/renovations to existing house/flat needs of NRI's.

LIC Housing Finance office at Kuwait is authorized to sanction loans subject to the relevant documentation and envisaged norms within the shortest committed time frame, catering to properties coming within the ambit of 9 regional **offices** 25 back **offices** and 278 marketing units spread across length and breadth of India. We loan for housing needs of NRI's in India at attractive rates of interest amongst the best in the industry; NRI loans are available for a maximum term of 15 / 20 years with disbursement facility in Indian Rupees in India and repayments in India. We provide special consideration for NRI's working in Kuwait Ministries (Nurses, Engineers, Doctors, Technician's) with housing loans facility immediately after receiving their first salary and a loan term up to 20 years with a provision of exit age up to 65 years. We follow a sound system of legal and technical verifications for the properties intended for purchase whereby valuing the hard-earned money of the client at large.

LIC Housing Finance in line with the Indian Government vision for "Housing for all "by 2022 has introduced attractive schemes like Affordable Housing catering to the dream home for NRI's. Our Kuwait office provides a hand holding for the client for the entire process with major servicing needs after the loan disbursement being catered to from Kuwait office itself.
