PRESS RELEASE

Extension of Date for Registrations of Indian Engineers in Kuwait

A large number of Indian engineers have registered with the Embassy under the ongoing registration drive launched on 08 December 2022. However, it is understood that some engineers have not registered.

2. The last date for registration is therefore being extended till 07 January 2023. Those have not registered are advised to register at the earliest by filling in the online Google form at the link given below:-
