PRESS RELEASE

Embassy of India in Kuwait is pleased to inform the start of a Shuttle Vehicle service from the entrance of the Diplomatic Enclave to the Embassy premises with effect from today, 06 April 2021. This endeavour is part of the Embassy's commitment to address and resolve all genuine concerns and problems faced by the Indian Community in Kuwait.

All visitors to the Embassy, especially the elderly, families with young children, and people with mobility issues who will be given priority, are encouraged to use the Shuttle service.

The operating timings of the Shuttle service are 0700 to 1600 hrs on week days. The Shuttle service will be operated observing all the health and safety guidelines related to COVID-19. Please also note that this Shuttle service is completely free of charge.
