

## **Telecommunications Consultants India Limited (A Government of India Enterprise)**

### **ABOUT TCIL:**

TCIL, a prime engineering and consultancy company, is a wholly owned Government of India Public Sector Enterprise under the administrative control of the Department of Telecommunications (DOT), Ministry of Communications, Government of India. TCIL was set up in 1978 for providing Indian telecom expertise in all fields of telecom, Civil and IT to developing countries around the world. Company's core competence is in the fields of Switching, Transmission Systems, Cellular services, Rural Telecommunication, Optical fibre-based backbone trans systems, IT & Networking Solutions, Application Software, e-Governance, 3G Network, WIMAX Technology and also Civil construction projects.

### **TCIL IN KUWAIT:**

TCIL's has been one of Kuwait's strongest partners, with an association that goes back to 1978 when the TCIL Kuwait branch was set up. TCIL was the first and the main telecom company after liberation in 1991, for rehabilitation work, for restoration of telecommunication services in the country. The services rendered by TCIL after liberation were highly appreciated by Govt. of Kuwait and was recognized by presentation of a Kuwaiti Plaque. TCIL was the first to implement Pilot FTTH Project for MOC and was one of prime Contractor in Phase-I GPON Project which was completed in 2010.

In the last 40 years, TCIL Kuwait has emerged as a major contractor of the Ministry of Communications (MOC), KNPC, KOC and KIPIC, for Construction and Maintenance of Telecommunications/ Passive Network. In Kuwait, Telecom Clients recognize TCIL as professional & reliable company because of its consistency in providing excellent services with complete dedication.

TCIL Kuwait has the singular honour of being awarded "ASSP GCC HSE Excellence Silver Award 2020" for Health, Safety and Environment (HSE) procedures in Kuwait by The American Society of Safety Professionals (ASSP), Kuwait Chapter.
